

SECTION 10400
IDENTIFYING DEVICES

1. SCOPE:
Under this section shall be included the furnishing and installation of various signs throughout, as shown and specified herein.

2. SHOP DRAWINGS:
Shop drawings shall be submitted. See the General and Special Conditions.

3. MATERIALS:
 - a) Plaque.
Plaque shall be cast-bronze and as shown. Shop drawings shall show full size details of border and lettering. Plaque shall be 20 inches by 30 inches with flat band bevel border and pebble texture background and shall contain about 500 characters in various sizes. Refer to the plans for a plaque detail showing the actual wording. Lettering shall be as made by Metal Arts Division of L & H Manufacturing Company, Mandan, North Dakota or Andco Industries Corporation, Greensboro, North Carolina or equal.

4. INSTALLATION:
Install this work straight and plumb, securely anchored in place. Use theft-proof fasteners where fasteners will with exposed. Mounting heights shall be as shown and/or as directed.
